

INTERNATIONAL YOUTH EXCHANGE

RE-CREATIVE RURAL

07-16 November 2022, Pontevedra (Spain)

Infopack

ABOUT THE PROJECT

This project is strongly designed to transform realities and spaces, through the empowerment of people, motivation and creativity. Linked to this, we believe there is a need for greater awareness of the fragility of the rural world, the need for its protection and preservation of times and traditions and to be able to integrate these places into the realities and comforts of the 21st century, avoiding the damages.

We believe in the power of collective actions, where people can nurture each other and take the best of themselves to complement the needs of the group. We are firmly convinced the activities in which this dimension is worked on, complemented by creativity, the power to see things from another angle, to invent something new and transform it, are very powerful tools for young people who have to face a world with wide employment, socio-economic and ecological uncertainty.

Under this idea we want to implement a program which has as its axis creativity and innovation in all its aspects, taking advantage of it to improve rural spaces, make stronger links between rural and urban areas, creating a replicable action by the active citizens involved.

This youth exchange will feature numerous activities and dynamics to work on other points which we consider vital when working with a group of young people. Through the different workshops and transversally to the project, priority topics will be present which we can also analyze and integrate them from a critical and rational attitude, such as gender equality in peripheral/rural life, natural resource management, tolerance, teamwork and cooperation.

ABOUT THE TIMETABLE

The official timetable will be revised with team leader and will be presented to all the participants at the beginning of the youth exchange.

THE VENUE

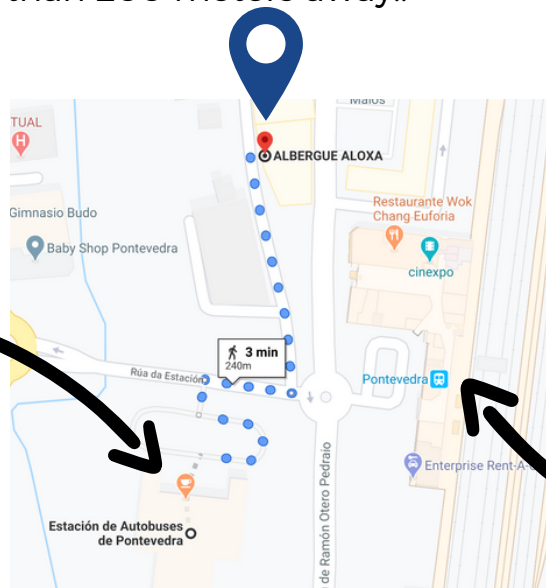

"Re-Creative Rural" will be implemented in Pontevedra, one of the four provinces of the Autonomous Region of Galicia, in northwestern Spain. Galicia's landscape is mostly dominated by forest and mountains and it is well-known among national and international visitors by its seafood, nature and coastline sites.

The Aloxa hostel is a cozy accommodation, a few minutes walk from the train and bus stations. It is a hostel designed for people who are doing the Camino de Santiago, so the beds are in a common space, divided by wooden panels.

Whether you come from Madrid or Porto, it is possible that you will have to travel through VIGO (the largest city in Galicia), 30 km away from Pontevedra. If that is the case, you can catch any regional train or bus. Arriving to Pontevedra's train/bus stations (in the map) will take you around 30 minutes, and once you are there ALOXA hostel will be less than 200 meters away!!

Bus station

Train station

HOW TO GET HERE

The cheapest and more convenient way of travelling to **Pontevedra** is by plane. However, Peinador airport (Vigo) or Lavacolla airport (Santiago de Compostela) are not very big, so you might struggle to find good deals for direct international flights.

The best thing will be to travel from your country to Madrid or Barcelona, and then catch a national flight to Santiago. Flights between Vigo/Santiago and Madrid/Barcelona are operated mostly by Ryanair, Vueling and Iberia and the price for a return tickets goes usually from 30 to 80 euros. Once you arrive to Vigo or Santiago, you can easily get to Pontevedra by bus.

PARTICIPANT SHOULD BE IN THE VENUE

Arrival: Participants are expected to arrive no later than 18:00h on 7th of November and depart no earlier than 00.00 on 16th of November.

ANOTHER CONVINIENT OPTIONS

Another good option is arriving to Porto being only 170 km away. Porto airport (Francisco Sá Carneiro) will probably be the best option regarding duration of the trip and price. From this airport you can get to Pontevedra with three bus companies:

- FLIXBUS connects as well Porto with Pontevedra.
- AUTNA covers the route Porto Airport - Vigo several times a day and from Vigo and from there MONBUS runs to Pontevedra every 30 minutes.
- ALSA connects as well Porto with Santiago de Compostela and this route has a stop in Pontevedra.
