INTERNATIONAL YOUTH EXCHANGE

ZERO WASTE

18-27 October 2022, Pontevedra (Spain)

Infopack

ABOUT THE PROJECT

After the success of the previous projects about sustainability, our desire is to continue focusing on different sustainability challenges. We have all noticed how to recycle and minimize waste was an interest to most of our previous participants and a very famous topic in the last projects.

On the wider spectrum though, in Europe, we currently use 16 tonnes of materials per person per year, of which 6 tonnes become waste. Just in terms of household waste alone, each person in Europe is currently producing, on average, half a tonne of such waste. Only 40 % of it is reused or recycled and in some countries more than 80% still goes to landfill.

To minimize waste, not generate waste and turning waste into is one key to a circular economy. In Spain, recycle rate is around 36% while 47% in EU. Most of our waste are ended up in landfills. For these reasons, along with the general environment around waste as well as our experience of previous projects, we decided to work with zero waste. We want to develop a YE to exchange ideas about how to become zero waste, minimize waste in practice, exchange solutions in everyday practices and learn how we can become zero waste for ourselves and to inspire our communities, cities and the people around us.

The Youth Exchange will be composed of the following blocks:

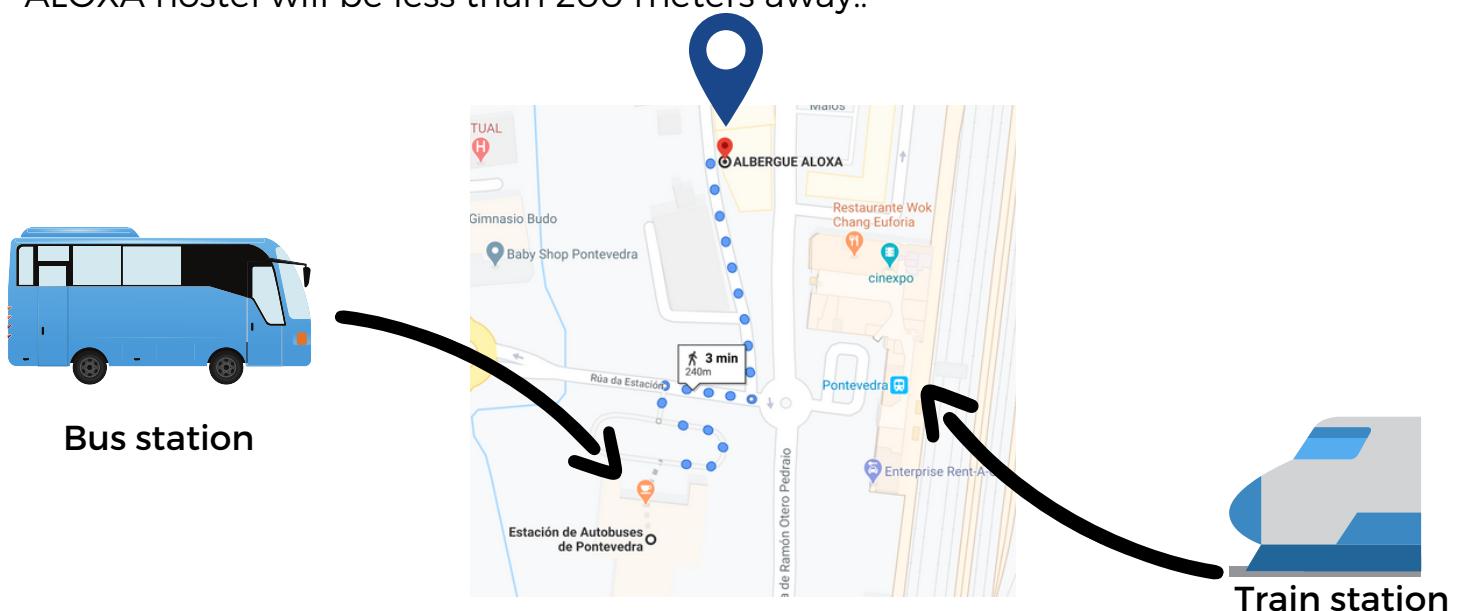

THE VENUE

"Zero Waste" will be implemented in Pontevedra, one of the four provinces of the Autonomous Region of Galicia, in northwestern Spain. Galicia's landscape is mostly dominated by forest and mountains and it is well-known among national and international visitors by its seafood, nature and coastline sites.

The Aloxa hostel is a cozy accommodation, a few minutes walk from the train and bus stations. It is a hostel designed for people who are doing the Camino de Santiago, so the beds are in a common space, divided by wooden panels.

Whether you come from Madrid or Porto, it is possible that you will have to travel through VIGO (the largest city in Galicia), 30 km away from Pontevedra. If that is the case, you can catch any regional train or bus. Arriving to Pontevedra's train/bus stations (in the map) will take you around 30 minutes, and once you are there ALOXA hostel will be less than 200 meters away!!

HOW TO GET HERE

The cheapest and more convenient way of travelling to **Pontevedra** is by plane. However, Peinador airport (Vigo) or Lavacolla airport (Santiago de Compostela) are not very big, so you might struggle to find good deals for direct international flights.

The best thing will be to travel from your country to Madrid or Barcelona, and then catch a national flight to Santiago. Flights between Vigo/Santiago and Madrid/Barcelona are operated mostly by Ryanair, Vueling and Iberia and the price for a return tickets goes usually from 30 to 80 euros. Once you arrive to Vigo or Santiago, you can easily get to Pontevedra by bus.

PARTICIPANT SHOULD BE IN THE VENUE

Arrival: Participants are expected to arrive no later than 18:00h on 18th of October and depart no earlier than 00.00 on 27th of October.

ANOTHER CONVINIENT OPTIONS

Another good option is arriving to Porto being only 170 km away. Porto airport (Francisco Sá Carneiro) will probably be the best option regarding duration of the trip and price. From this airport you can get to Pontevedra with three bus companies:

- FLIXBUS connects as well Porto with Pontevedra.
- AUTNA covers the route Porto Airport - Vigo several times a day and from Vigo and from there MONBUS runs to Pontevedra every 30 minutes.
- ALSA connects as well Porto with Santiago de Compostela and this route has a stop in Pontevedra.

THE WEATHER

One of the most precious mysteries in Galicia, since you can never be sure of what the day will look like! Generally, we can expect an average temperature of 17 C° for October.
