# ABOUT THE PROJECT

From Ticket2Europe, together with our project partners, we have wanted to promote the development of the social entrepreneurship ecosystem in Europe and stimulate the entrepreneurial learning of our young people. We feel the need to act as the current job market has changed considerably. From a “job for life” to one based on entrepreneurship.

This also means moving from the traditional mindset of expecting formal education to provide technical knowledge, to an attitude of taking action, finding solutions and learning by doing.

Pont Up aims to raise the self-esteem and self-awareness of young people with fewer opportunities. It will allow them to be active citizens, support cultural diversity and intercultural dialogue. Also, participating in Pont Up, we will be able to make the participants more aware of European citizenship. Working together they will come to the conclusion that they belong not only to their own country but also to a community of the European Union.

The priority of the projects for the youngsters to create skills towards social entrepreneurship and how they can be more active in taking decisions related to finding a job. The youngsters will work it out on themselves, they will be more aware of individuals who fill in their own lives and make their own decisions regarding choices he makes in his life.

## ABOUT THE TIMETABLE

The official timetable will be revised with team leader and will be presented to all the participants at the beginning of the youth exchange.

# THE VENUE

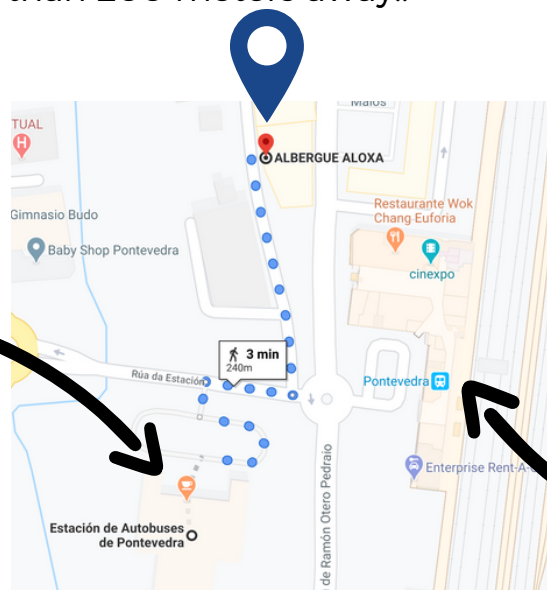

"Pont Up" will be implemented in Pontevedra, one of the four provinces of the Autonomous Region of Galicia, in northwestern Spain. Galicia's landscape is mostly dominated by forest and mountains and it is well-known among national and international visitors by its seafood, nature and coastline sites.

The Aloxa hostel is a cozy accommodation, a few minutes walk from the train and bus stations. It is a hostel designed for people who are doing the Camino de Santiago, so the beds are in a common space, divided by wooden panels.

Whether you come from Madrid or Porto, it is possible that you will have to travel through VIGO (the largest city in Galicia), 30 km away from Pontevedra. If that is the case, you can catch any regional train or bus. Arriving to Pontevedra's train/bus stations (in the map) will take you around 30 minutes, and once you are there ALOXA hostel will be less than 200 meters away!!

# HOW TO GET HERE

The cheapest and more convenient way of travelling to **Pontevedra** is by plane. However, Peinador airport (Vigo) or Lavacolla airport (Santiago de Compostela) are not very big, so you might struggle to find good deals for direct international flights.

The best thing will be to travel from your country to Madrid or Barcelona, and then catch a national flight to Santiago. Flights between Vigo/Santiago and Madrid/Barcelona are operated mostly by Ryanair, Vueling and Iberia and the price for a return tickets goes usually from 30 to 80 euros. Once you arrive to Vigo or Santiago, you can easily get to Pontevedra by bus.

## **PARTICIPANT SHOULD BE IN THE VENUE**

**Arrival: Participants are expected to arrive no later than 18:00h on 27th of September and depart no earlier than 00.00 on 5th of October.**

## **ANOTHER CONVINIENT OPTIONS**

Another good option is arriving to Porto being only 170 km away. Porto airport (Francisco Sá Carneiro) will probably be the best option regarding duration of the trip and price. From this airport you can get to Pontevedra with three bus companies:

- FLIXBUS connects as well Porto with Pontevedra.
- AUTNA covers the route Porto Airport - Vigo several times a day and from Vigo and from there MONBUS runs to Pontevedra every 30 minutes.
- ALSA connects as well Porto with Santiago de Compostela and this route has a stop in Pontevedra.

## **DO YOU NEED HELP?**
