

INTERNATIONAL YOUTH EXCHANGE

18-26 April 2024, Pontevedra (Spain)

UBUNTU Infopack

ABOUT THE PROJECT

Ubuntu is a project built from the belief and experience of knowing the richness that plural spaces of people with the same objective or with the same vision of the world provide.

In this age of information and hyperconnectivity, we are more aware than ever of the needs of vulnerable social groups. We are, in general, spectators of a reality that we feel not very close.

The problems we find around us, are not always supported by the system and that is why the social implication takes on such a relevant role. Associations, cooperatives, informal groups,....all of them are based on mutual aid for the benefit of an entire community.

Our motivation to carry out this mobility project at Ticket2Europe is to awaken in the participants the need to get out of the predictable and passivity to take action and have a relevant role in the contexts surround them. We seek to familiarize them with concepts that may be far away to them, such as cooperation or associations, and to in still in them through all these days the European values of justice and equality, also promoting volunteering as a way to collectivize for the greater good.

Together, we will be witnesses and participants in the relevance of associations and volunteering for people. We will interact with all the parts which make up this concept, both, the volunteers and their social and environmental impact.

- Make known the reality of people with fewer opportunities and bring the participants closer to the work of the entities and associations in which they participate. The activities of this exchange will be carried out in coordination with local associations which work for the inclusion and improvement of the community;
- Create a positive impact on the local population and the environment. Through the different programmed actions, we will work on personal development and creative skills;
- Promote the culture of mutual aid through collaboration and work on the idea of community;
- Create a community of potential volunteers and enjoy this unique experience together in Pontevedra!

For this, group leaders will be chosen according to their previous experience in international activities and/or involvement with their sending organizations.

THE FLOW!

The methods used in this Youth Exchange will be those of **non-formal education** and **experiential learning**, including creative sessions, discussions, and active inter-cultural learning processes that will encourage young people to become active citizens and to share their gained understanding and knowledge with others multiplying their learning in their local communities.

The Youth Exchange will be composed of the following blocks:

ABOUT THE TIMETABLE

The official timetable will be revised with team leader and will be presented to all the participants at the beginning of the youth exchange.

THE VENUE

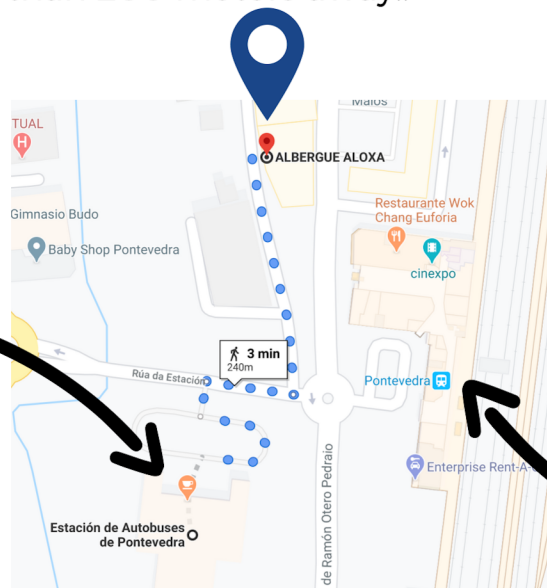

"Ubuntu" will be implemented in Pontevedra, one of the four provinces of the Autonomous Region of Galicia, in northwestern Spain. Galicia's landscape is mostly dominated by forest and mountains and it is well-known among national and international visitors by its seafood, nature and coastline sites.

The Aloxa hostel is a cozy accommodation, a few minutes walk from the train and bus stations. It is a hostel designed for people who are doing the Camino de Santiago, so the beds are in a common space, divided by wooden panels.

Whether you come from Madrid or Porto, it is possible that you will have to travel through VIGO (the largest city in Galicia), 30 km away from Pontevedra. If that is the case, you can catch any regional train or bus. Arriving to Pontevedra's train/bus stations (in the map) will take you around 30 minutes, and once you are there ALOXA hostel will be less than 200 meters away!!

HOW TO GET HERE

The cheapest and more convenient way of travelling to **Pontevedra** is by plane. However, Peinador airport (Vigo) or Lavacolla airport (Santiago de Compostela) are not very big, so you might struggle to find good deals for direct international flights.

The best thing will be to travel from your country to Madrid or Barcelona, and then catch a national flight to Santiago. Flights between Vigo/Santiago and Madrid/Barcelona are operated mostly by Ryanair, Vueling and Iberia and the price for a return tickets goes usually from 30 to 80 euros. Once you arrive to Vigo or Santiago, you can easily get to Pontevedra by bus.

PARTICIPANT SHOULD BE IN THE VENUE

Arrival: Participants are expected to arrive no later than 18:00h on 18th of April and depart no earlier than 00.00 on 26th of April.

ANOTHER CONVINIENT OPTIONS

Another good option is arriving to Porto being only 170 km away. Porto airport (Francisco Sá Carneiro) will probably be the best option regarding duration of the trip and price. From this airport you can get to Pontevedra with three bus companies:

- FLIXBUS connects as well Porto with Pontevedra.
- AUTNA covers the route Porto Airport - Vigo several times a day and from Vigo and from there MONBUS runs to Pontevedra every 30 minutes.
- ALSA connects as well Porto with Santiago de Compostela and this route has a stop in Pontevedra.
